

October 2019

## Greetings Friends!

As we come to a close for 2019, we first wish to Thank You for your valued partnership with us for another successful year. We recognize that our daily, and/or seasonal operations, are dependent upon Quality Products, the Appearance of our Facilities and Golf Course, and of course our Service to our Members, Customers and others alike. It is because of You, that we continue to have an impressive and outstanding reputation in and around Dutchess County. We look forward to working together in the New Year ahead, and all that this year will bring for us all!

As we like to acknowledge the relationships with our Customers, our Vendors and our Community as a whole, we also like to acknowledge our staff as well. This is why we treat our staff at the end of the year, to a fun evening in the only way we know how – a Celebration at the Links!

We invite you to do the same, and would love to have you celebrate your employees here at the Links, in our gorgeous banquet room! We have designed a few banquet options to choose from, and have included them here in this package. Please note that any of these options can be tailored to meet your specific needs or preferences.

Please contact us today to lock in a date, and time, as the Holidays are quickly approaching and wouldn't want you to miss out.

Be sure to reference **"HOME4THEHOLIDAYS"** when booking your celebration, and you will receive a voucher to come back during our Golf Season and have a round of golf on us! We are offering a 10% discount on the food portion of your bill (Excludes Alcohol - FOOD ONLY), if you book your party for a date in January 2020!

We send well wishes to your organization, staff, and family members during this Holiday Season!

Cordially,

*Rob Caeners*
