Prom Special Instructions:

Due to past experiences, it is necessary for us to implement the following rules:

No confetti is allowed on the tables

If you plan on offering a candy bar, we will be happy to set it up for you in the lobby so your guests can take it on their way out. No loose candy is allowed in the ballroom.

If your guests arrive with water bottles, we will replace them with The Links water bottles.

If any of your guests leave the building during the function, they will be informed they can not come back in.

If there is any damage to our property, the expense to repair or replace the damages will be billed to the party. If extensive clean up is required, it will be billed at \$100.00 per hour.

If underage guests are found with liquor or appear to be under the influence, they will be asked to leave the party.

We ask that you assign one adult to the lobby/bathroom area to supervise the kids activity. If you prefer us to hire a security person for the event, the fee will be \$200.00.
